Sale Manager Comments:

In the span of 14 years, the Fall Festival Sale has developed into one of the very top organization sponsored consignment sales in the Angus industry.

The sale provides a marketing outlet for the GMAA membership and a selection of seedstock for buyers regardless of whether they are in search of donor candidates, show prospects, herd replacements, or bulls for a commercial herd.

Please join us on Friday evening for a preview of the cattle, complimentary refreshments, fellowship and entertainment by OUTTA THE BLUE, a Bluegrass Family Band from Knoxville, TN and also the auction of the project animals owned by the Shelby County Livestock Club
